

**Amendment Number Four**  
**to the**  
**Operating Engineers Local 139 Health Benefit Fund**  
**Summary Plan Description/Plan Document, 2015 Edition**

The Operating Engineers Local 139 Health Benefit Fund has adopted the following changes to the Summary Plan Description/Plan Document, 2015 Edition, effective June 1, 2015:

1. The Section entitled *Certain Dental Care* on page 40 is amended to add the following sentence at the end of the section:

In addition, the Plan will cover a palatal obturator device that is required as a result of sinus cancer; such coverage will be subject to the deductible and coinsurance for medical benefits as specified in the *Summary of Benefits*.

2. The last paragraph in the *Routine Procedures* subsection on page 56 in the *Dental Benefits* section is amended to read as follows:

Prosthodontic services that are required specifically as a direct result of oral cancer will not be subject to the dental plan's Calendar Year maximum benefit, which is currently \$2,500. Benefits for Prosthodontics will be allowed at 80% of the Plan's Allowable Charge with no maximum benefit limitation. Palatal obturator devices that are required as a result of sinus cancer will be covered as medical benefits, subject to the medical deductible and coinsurance, as provided in the *Certain Dental Care* section on page 40.

This Amendment Number Four to the Operating Engineers Local 139 Health Benefit Fund Summary Plan Description/Plan Document, 2015 Edition, was adopted by the Board of Trustees on November 19, 2015 and signed on the date noted below.
