

**AMENDMENT NUMBER FIVE
TO THE
OPERATING ENGINEERS LOCAL 139 HEALTH BENEFIT FUND
SUMMARY PLAN DESCRIPTION/PLAN DOCUMENT, 2015 EDITION**

The Operating Engineers Local 139 Health Benefit Fund has adopted the following change to the Summary Plan Description/Plan Document, 2015 Edition effective January 1, 2016:

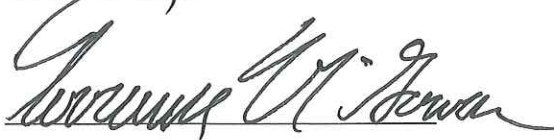

The Section entitled Comprehensive Medical Benefits, which begins on Page 31, is amended to add “nutritional counseling” benefits immediately following the Gastric Bypass Surgery Provisions on page 40 as follows:

Nutritional Counseling

The Plan will cover nutritional counseling if Medically Necessary and related to a medical procedure such as gastric bypass surgery or a chronic medical condition such as diabetes, obesity, an eating disorder, or cancer. Nutritional counseling shall not be covered for medical conditions such as asthma, autism, attention deficit hyperactivity disorder or chronic fatigue syndrome. Nutritional counseling must be prescribed by a Physician and furnished by a licensed nutritionist, registered dietician or other qualified licensed healthcare professional, such as a nurse who is trained in nutrition. The nutritional counseling benefit is subject to the deductible, coinsurance, in-network charges and out-of-network level of payment of the usual and customary charges for medical benefits as specified in the Summary of Benefits.

This Amendment Number Five to the Operating Engineers Local 139 Health Benefit Fund Summary Plan Description/Plan Document, 2015 Edition, was adopted by the Board of Trustees on May 19, 2016.
