

Freshstart

Smoking cessation Program

Are You Ready to Quit Smoking?

Join Advocate Aurora Health's 4 Week Smoking Cessation Program, Freshstart, sponsored by the American Cancer Society.

The primary goal of Freshstart is to help participants plan a successful quit attempt by teaching effective ways to overcome nicotine dependence. Freshstart is designed to help any tobacco user, including those who may be unsure about wanting to quit, and specifically addresses ambivalence about quitting. The information, activities and discussion topics help participants discover why they smoke and what motivates them to quit.

- Freshstart is offered at no cost.
- Anyone who wants to quit using tobacco can participate in Freshstart.
- You will be required to attend all four sessions for program credit.
